LPS is in the process of securing a limited number of corrected copies from the U.S. Geological Survey.

1995 Legal Immigration Report to be Re-Distributed

As noted in Classification/Cataloging Update 1996-02, in volume 2, no. 2 of the Technical supplement (2/29/96), the 1995 Legal Immigration Report to Congress was distributed under an incorrect class and item number (shipping list 96-0091-P, 12/19/95). LPS will make an additional distribution of this title to those depository libraries that should have received it under its correct item number: 1089. Libraries that received this title in 1995, because they selected both the incorrect item and the correct item, will not receive an additional copy.

National Endowment of the Arts Publications Consolidated

Because of significant budget reductions, the National Endowment of the Arts is eliminating many of its titles, consolidating them into a number of new publications. The SuDocs classes affected are: NF 2.8/2-2: through NF 2.3/2-37:, item numbers 0831-B-02, 0831-B-04, 0831-B-11, and 0831-B-12.

National Endowment of the Arts staff have informed LPS that titles issued under those classes will be merged into 6 new publications, 2 of which have been issued to date:

1. Grants to Organizations Application Guidelines (NF 2.15:, item 0831-B-16)
2. Grants to Organizations Application Forms (NF 2.15/2:, item 0831-B-17)
3. Literature Fellowships Application Guidelines (not yet published)
4. Literature Fellowships Application Forms (not yet published)
5. Partnership Agreements Application Guidelines (not yet published)
6. Partnership Agreements Application Forms (not yet published)

As information becomes available, it will be published in the **Update to the List of Classes, Miscellaneous.**
